To Whom It May Concern:

Even though I only had the opportunity to work with Natasha Botha for around 8 months at 96.3 Shine FM in Grande Prairie from November 2008 to July 2009, I was able to witness her pleasant personality and desire to learn new things.

When asked to take on some new tasks that meant learning new software, Natasha displayed a willingness and desire to expand her horizons. This open mind to expanded responsibilities really helped with the day-to-day operations of 96.3 Shine FM in Grande Prairie.

Natasha's organizational strength, attention to detail, consistent sound on the air and ability to find humour during stressful times were also beneficial qualities during her stay at the station.

If you have any questions regarding Natasha's abilities etc, don't hesitate to give me a call or to drop me a line.

Humblest regards,
